Mr. /Mrs. Honorable Judge

For a year I have been the co-pastor of the *Jesus es mi Refugio* church, and for that same amount of time I have known Brother Ernesto. He has offered his home for the services of our church, so we congregate there three times a week. In this time, our brother is a servant of Christ, completely devoted to God and faithful to his Word. Therefore he can't both serve God and man at the same time. My wife and I are witnesses that he only devotes himself to the Word of Christ the Lord and he doesn't participate in any of the crimes he's being charged with. He is consecrated to God and to his family. If you need more testimony regarding the integrity of Brother Ernesto, please don't hesitate to call me. I am including my phone number. Thank you very much.

Sincerely,

Mr. and Mrs. Alfonso Lopez & Juana Huerta

To whom it may concern:

Ernesto Rodriguez has been a great man in my experience with him. He has done work on my house and has shown a very strong work ethic and attention to detail. These two attributes have allowed him to start his own business and I have recommended him to do work for multiple people. My neighbor has even raved on how great of a job Ernesto has done for him. He does what he says he will do and has shown that he is very reliable. He has a great amount of respect for the people around him and especially his family. He does everything he can to not only take care of his own kids but also his kids in law. He has demonstrated multiple times that he is willing to go above and beyond for his family. Finally he has established a history of doing the right thing. He is very courteous towards others and has been a great man to have in my life.

Sincerely,

  
Jon Paul I Ulibarri

To whom it may concern.

*I attentively want to say that Mr. Ernesto Rodriguez is a good man, he's very humble and good. He's a good father and good brother, a good husband, and very hard working. He is always very attentive with people. As a brother he always supports us a lot, and is willing to help out. He works at anything he can. I hope you can take what I have to say about my brother into account. He needs to be free because his children miss him, he needs to be there to guide them now that they're of an age when they need the support of a father. He deserves a chance, and I hope you will give it to him. He will show you that these charges are mistaken, your honor. I ask you please to take into account his record, he has never been involved in anything bad, and he's a good man.*

*Sincerely,*

*Blanca [Illegible]*

To Whom It May Concern:

My name is Sandra Montes and my husband and I have lived in Pajarito Mesa for over 17 years. This is the same community where, approximately 10 years ago, we met our brother in Christ, Mr. Hernesto Rodriguez. Over these years we have never seen or known of him to be involved in anything bad, much less the kind of thing with which he's being charged. Pajarito is a small community where everyone knows everything. Approximately one year ago we were converted to the Gospel through brother Hernesto and we can testify that Hernesto is one of the most faithful brothers of Christ. He is one of the people that most of the residents of our community can count on if ever there is a problem or we're going through some need. He's an honest and hard-working person, just like his wife. We care for them very much.

As you can see, all these testimonies attest to the moral character of Mr. Ernesto Rodriguez. I was the one who wrote these out. I want to clarify that I wrote these out in my handwriting, at the request of these people. Each person dictated their words to me, so I wanted to make it clear. It is not my intention to mislead you, and I know that you are in charge of this case, so we wanted the testimonies to be clear and understandable.

To the appropriate person.

With this letter I am testifying that I have spent time for a year at our congregation *Jesus es mi Refugio* with Ernesto Rodriguez. He is a person who is very devoted to our Lord Jesus Christ, and this is why it is very difficult for me to believe that he is being deprived of his freedom with these charges. He is an honest and upstanding person and father who doesn't hurt anyone. This is why I think he is being unfairly charged and I pray to our Lord Jesus to clear up this confusion and allow him to be free as soon as possible.

Thank you. Sincerely

Para La Persona Correspondiente

Con esta carta estoy testificando que tengo 1 año de convivencia en nuestra congregación Jesús es mi Refugio con Ernesto Rodríguez, y él es una persona que está muy entregado a Nuestro Señor Jesucristo por lo cual se me hace muy difícil creer que este privado de su libertad por lo que se le acusa, cuando él es una persona honesta y cabal y padre de familia que no le hace daño a nadie por lo cual creo que se le está acusando injustamente y espero en nuestro Señor Jesús que se aclare esta confusión y salga libre lo mas pronto posible.

Gracias
